Theme

The 2024 Conference theme, **4-H: Ignite Your Passion**, focuses on volunteer opportunities to ignite their passion as they work with 4-H youth. The conference highlights sessions on numerous topics and even offers tracks for certification.

Connect with us

The 4-H Volunteer Conference of Southern States invites you for our 2024 annual 4-H Volunteer conference at Rock Eagle 4-H Center. We are excited to welcome the nation to the Center and offer virtual opportunities for those who cannot join face-to-face.

Our event takes place **October 3 - 6, 2024** and you can put your organization in front of volunteers and paid staff from across the country.

More than 570,000 volunteers in all 50 states and U.S. territories work directly with seven million 4-H youth. The volunteers who attend the conference return to their communities and share the information, strategies, and learning. The conference's connections extend far beyond those in attendance through volunteer networks.

The Volunteer Conference of the Southern States, the conference host group, has been an active and growing force for volunteerism in thirteen southern states. Past conferences have included representation from nearly every state in the U.S.

The sponsorship, exhibit, and promotional opportunities described on the following pages allow you to increase brand awareness, connect with community leaders, secure new customers, and, most importantly, support positive youth development.

Why Engage?

Name Recognition

Key Audience

Conference attendees are influencers for other 4-H volunteers, members, and their families. Volunteers spread the word long after the conference has concluded.

Reach

Opportunities to Engage

Sponsorship

Sponsorship levels range from small contributions to significant donations. Each level includes various brand engagement options for the sponsors and provides numerous opportunities for your name to be in front of our audience. We begin soon after payment is received promoting your brand and your connection. Descriptions of the various levels follow on page 4. We also build sponsorship packages at the request of sponsors. If our levels don't meet your needs, let us know, and we will work with you.

Exhibitors

While a sponsorship level offers manned and static exhibits, we also have a learning expo complete with exhibits and educational posters that many businesses and opportunities opt to select. Exhibit space is available Friday, October 4, with a dedicated portion of the schedule for exhibits as well as free time that day. One table and lunch for one exhibitor on the day of the exhibits are included in the fee. Additionally, exhibitors may provide one promotional item for conference bags. Exhibitors are listed in social media and conference programming.

Item Donations

Several focused workshops include needs for specific learning tools and contributions for these items are solicited. Additionally, an auction is

to raise money for scholarship funds. Donors of workshop items and auction items are encouraged to register items for recognition in the program and on social media.
